TARGETING POVERTY, CHANGING LIVES

2023-2024
ANNUAL REPORT

Near & Far Aid, a volunteer fundraising and fund granting organization, is dedicated to eliminating the causes and effects of poverty in Fairfield County.

We accomplish our mission by finding and funding programs that provide life's most basic necessities, as well as those that seek to achieve lasting change.

A MESSAGE FROM OUR PRESIDENTS

DEAR FRIENDS,

As we reflect on another impactful year at Near & Far Aid, we want to extend our heartfelt gratitude to all our supporters. Thanks to your generosity, we granted \$1.1 million to 103 non-profit agencies across Fairfield County. Your contributions made a significant difference in providing vital services to our neighbors in need.

We deeply appreciate our generous donors and corporate sponsors, whose commitment fuels our mission. A special thank you goes to our dedicated all-volunteer board, whose tireless efforts in vetting agencies and carefully managing donated funds ensure that your trust is honored. We also want to recognize our enthusiastic volunteers, whose passion and hard work bring our fundraising events to life.

For 77 years, Near & Far Aid has been committed to addressing the root causes and effects of poverty in our community. We are keenly aware of the significant economic disparities that exist in Fairfield County, and endeavor to lessen the burden of those less fortunate among us.

The United Way of Coastal and Western Connecticut reports* that a household survival budget for a family of four in Bridgeport is \$116,580, equating to household earnings of \$58.29/hour. With more than half of the top 20 occupations in Connecticut paying an hourly wage of less than \$20—combined with decreasing eligibility for public assistance—it is no wonder that 42% of our neighbors cannot afford life's most basic necessities.

Our granting priorities include:

- Emergency food assistance, shelter, and permanent affordable housing
- Access to quality health and mental health services
- Educational opportunities for children, including after-school and summer programming
- Employment and life-skills training for adults

As we look to the future, we are inspired by the collective commitment of our non-profit partners and the unwavering support from our community. Together, we can continue to target poverty and create lasting change in the lives of those we serve.

Thank you for standing with us in this vital work. Your support truly makes a difference.

With gratitude,

Joanne Mason

*ALICE in CT 2024 Update (2022 data)

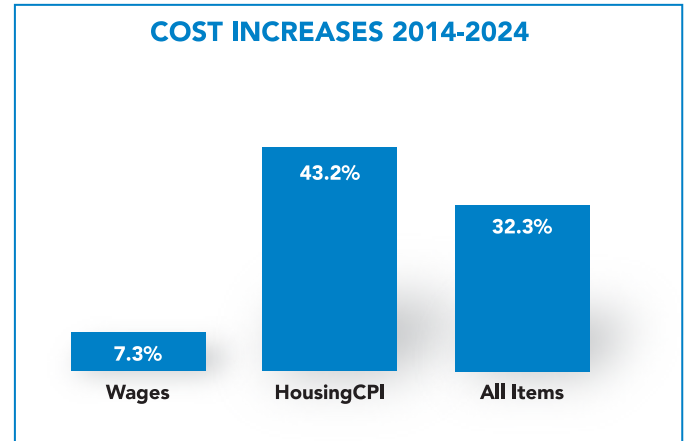

Fairfield County is home to some of the sharpest disparities in income and well-being among major metropolitan areas in the country. While residents in Fairfield County's wealthier suburban communities enjoy a high quality of life where the majority own their own home, have high paying jobs, and their children attend well-funded schools, many residents of under-resourced neighboring communities struggle to make ends meet.

Access to safe, affordable housing, quality health and mental health services, adequate and affordable transportation services, and educational opportunities for children are severely challenged. The COVID-19 Pandemic amplified the disparities that have long existed, and the gaps in income and opportunity have only widened.

CT DataHaven, analyzing data provided by the U.S. Bureau of Labor Statistics, reported that the median household income in Fairfield County in 2023 was \$101,194, higher than much of the country, but not high enough to meet the burgeoning costs of living, particularly for food and housing. The DataHaven 2023 Town Equity Reports revealed that income varied greatly within the region, with Darien recording the highest median income of \$250,001 and Bridgeport recording the lowest of \$50,597.

While wages have gone up across Fairfield County, they have not kept up with the rising costs of living.

Source: MarketWatch - Data sources: U.S. Bureau of Labor Statistics, consumer price index: Housing in U.S. city average, all items 2014 - 2024, Median usual weekly real earnings: Wage and salary workers: 16 years and over, 2014 - 2024

United Way's 2024 update of the CT ALICE Report highlighted the financial challenges faced by many working families, particularly in the Bridgeport Planning Area. As illustrated in the chart below, a minimum survival budget for a family of four with two children in daycare rose to \$116,580 in 2022, requiring a combined hourly household wage of \$58.29 to be able to afford life's most basic necessities! A family with a household income of \$100,000, now considered low income, struggles to make ends meet.

HOW WE HELP

Securing affordable safe housing is particularly challenging for lower income households. 52% of Fairfield County renters report being cost-burdened, with more than a third of their income going to rental costs. 44% of very low-income households report being severely cost burdened, with more than 50% of their income going to rental costs. With housing costs commanding a greater percentage of the household budget, families struggle to make ends meet, with little to no room for discretionary spending.

As shown in the chart below, the proportion of poor/working poor in Fairfield County towns with a population greater than 10,000 varies greatly. 66% of Bridgeport's 55,555 households are living at or below ALICE** threshold—21% with incomes at or below the Federal poverty line. Not surprisingly, the geographic focus of Near & Far Aid's funding is concentrated in the cities suffering the most pervasive poverty.

Emergency Services and Critical Needs

Many of the agencies which Near & Far Aid funds assist with helping to shelter individuals and families who are temporarily without a safe and stable place to live, including victims of domestic violence. These households also struggle to pay for basic necessities such as housing, food, childcare and education. Our partner agencies work to help residents secure permanent supportive housing, helping to stabilize families and the broader community.

Education and Hope for the Future

A good education is essential to ensuring children have the tools to become independent and productive adults. Educated children help to break the generational cycle of poverty within families. Toward this end, Near & Far Aid supports high quality education, academic support, after-school enrichment and summer programs.

Economic Security

Consistent employment and a steady source of income are necessary components for a family's financial and social stability. Near & Far Aid funds agencies which provide job skills training, helping adults secure better, higher paying jobs to enhance their family's monetary resources and self-esteem, which in turn strengthens the fabric of their communities.

NEAR & FAR AID

Near & Far Aid has been proud to support the work of **Nourish (nOURish) Bridgeport** for over ten years. The Reverend Sara Smith, Esq., is the founder and CEO of Nourish Bridgeport, a nonprofit focused on fighting food insecurity and fostering community well-being in Bridgeport, Connecticut.

With a background in law and ministry, she transitioned to social activism, establishing Nourish Bridgeport in 2009. Under her leadership, the organization has expanded to offer various programs, including a food pantry, community dinners, and educational support. Reverend Smith's work has earned her several accolades, including the "American Dream" Award and recognition for her leadership with refugees.

Nourish Bridgeport has made a profound impact on the Bridgeport community through its innovative approach to fighting food insecurity. One of its key initiatives is a hydroponic farm, which not only produces fresh, nutrient-rich vegetables year-round but also serves as an educational tool, teaching residents about sustainable farming techniques. By using modern farming techniques, they ensure sustainable access to nutritious produce, providing local families with high-quality food and promoting healthy eating habits.

Reverend Sara Smith, Esq.

The farm enhances access to healthy foods in an area where fresh produce is often scarce, helping improve the community's overall health and wellness. The average life expectancy in Bridgeport is 60 years old, while just ten minutes away in Westport, it is 79; having access to healthy, nutritious food is a huge factor in this. The farm also employs many workers that were previously recipients of Nourish Bridgeport's services - most of whom are either immigrants or previously unhoused.

In addition to the farm, Nourish Bridgeport operates a well-organized food pantry, providing essential groceries to families in need. This pantry ensures that individuals facing food insecurity have reliable access to nutritious meals. By distributing fresh produce from the hydroponic farm alongside other staples, Nourish Bridgeport contributes to healthier eating habits and the reduction of hunger.

AGENCY SPOTLIGHT: NOURISH BRIDGEPORT

With a focus on dignity and choice, the pantry allows visitors to select items that suit their tastes and dietary needs, fostering a sense of empowerment and community. They also have a baby pantry where they distribute diapers, baby needs and infant formula when available.

Nourish Bridgeport's ESL program addresses the educational gap for non-native English speakers. By offering English as a Second Language classes, they empower individuals with the language skills necessary for employment, social interaction, and navigating essential services. This educational support helps individuals integrate more fully into society, opening doors to new opportunities. They teach English, financial literacy and citizenship weekly to over 100 immigrants and refugees from all over the world.

Finally, their mobile hot meal program brings warm, nutritious meals directly to those who need them most. By providing meals on the go, they meet the needs of the homeless, elderly, and those with limited mobility, ensuring no one goes hungry.

By offering a holistic approach that integrates education, access to fresh food, and community support, Nourish Bridgeport strengthens the social fabric and promotes long-term well-being. Through these programs, Nourish Bridgeport not only fights hunger but also nurtures growth, connection, and empowerment, fostering a healthier, more resilient community.

Near & Far Aid impacts thousands of people through our grants to agencies that work to eliminate the causes and effects of poverty. We focus on Fairfield County, and partnerships that foster lasting change and a hopeful future.

The agencies we support continue to evolve, creating new programs in response to ever increasing needs. They provide food, housing, education, child and elder care, and a social safety net for families throughout Fairfield County.

We are encouraged and inspired by the collective commitment of our non-profit partners to build a stronger community.

NEAR & FAR AID

Our 2023 annual Near & Far Aid Golf Classic took place on Tuesday, October 17th, at the beautiful Country Club of Fairfield. Presented by long time sponsors Fairfield County Bank and Land Rover of Fairfield, the event was a success with golfers enjoying a day of friendly competition and fundraising, which helps us to support the 100+ local agencies that rely on Near & Far Aid's fund granting.

Golfers were welcomed with gift bags courtesy of Northern Trust and Katie O'Grady & Co. Following a BBQ lunch, courtesy of Cantor Fitzgerald, golfers set out for a memorable 18-holes along Long Island Sound. Throughout the course, golfers enjoyed drinks from our friends at Northeast Beverage CT as well as friendly competition at a variety of on course challenges including Longest Drive, Closest to the Pin, Beat the Pro and a Putting Contest.

Golfers had a chance to win off the course too with raffle items donated by Golf Digest and golf foursomes at fantastic clubs. The day wrapped up with cocktails, light bites and an awards reception, sponsored by George Comfort & Sons.

We'd like to thank our leader sponsors who helped make the event possible: Align, Dana & Rick Walsh, Moffly Media, Northern Trust and Russo & Rizio, LLC.

We also thank our event day sponsors, including blow-dry Southport/Westport, Dune, Northeast Beverage CT, Joan & Steve Panagos, Katerina & Tim Powers, Kristin & Brian Clark, Lauren Kelly Weiss, Lisa & Brian Albenze, Samira & Patrick Cwanek, Katie O'Grady & Co (Compass), Bitsy Higgins (Coldwell Banker), and Golf Digest.

The 2024 Designer House Tour, held on May 31, saw record attendance on what was a perfect early summer day. Five homes were featured that sent patrons through Southport and Westport. The talented designers included Barbara Sallick of WaterWorks, Grace Rosenstein of Atelier Roan, Meg Young, founder of Cailini Coastal, Caroline Kopp of Caroline Kopp Interior Design and a fifth home highlighting a stunning onyx bar. Each home showcased a feature that had visitors talking all day long about the grounds and designs. There is no better way to spend a sunny Friday than touring spectacular homes while supporting Near & Far Aid's mission.

Designers, homeowners and guests toasted the day's success at Sunset Cocktails. Guests escaped to the tropics at a private Southport residence while listening to a steel drum band and enjoying Caribbean inspired cuisine.

NFA FORMULA FOR AID

Drawing inspiration from the allure and grandeur of Formula 1 racing, the 2024 Spring Gala theme, Formula For Aid, at Mitchells of Westport proved to be a winning formula indeed!

Our generous philanthropic attendees helped us raise vital funds for our 2024-2025 grants through a silent auction, paddle raise, and a live auction led by the always entertaining Dave Price and auctioneer Elyse Luray.

The energy and excitement heightened as an electric violinist revealed a custom racetrack-inspired runway, setting the stage for a fashion show featuring Mitchells Best of Spring ready to wear collection.

The night concluded with a lively dance party ignited by dueling saxophones playing over French beats. Guests enjoyed Monaco inspired cuisine, gaming tables and a captivating percussion band - a perfect finale to an exhilarating and successful evening.

NEAR & FAR AID

As an all-volunteer organization, our volunteers are the heart and soul of Near & Far Aid. They work tirelessly to raise funds and awareness so that we can grant to the wonderful agencies in our community that do such important work. Our incredible volunteers bring their skills, dedication and compassion in the spirit of helping others and improving the lives of our neighbors in need.

Our Presidents' Council is a dedicated group of volunteers who support and advocate for our mission in the community on a regular basis. Presidents' Council members are the stewards of our Events Committee and support them with our critical fundraising efforts. Near & Far Aid is grateful for their support and dedication.

VOLUNTEER HIGHLIGHTS

In honor of our Founder, the **Jeannie Fay Award** is granted at the discretion of the Board to individuals who, without previous formal recognition, have volunteered selflessly and demonstrate outstanding dedication to furthering the work of Near & Far Aid. The recipients are recognized for being instrumental in supporting the fundraising activities of the organization and for lengthy service which has enhanced our success and growth. They have worked tirelessly, accepting responsibility with grace, while setting a standard of caring that was first established by Jeannie Fay. The first Jeannie Fay Award was presented in 2001. This year the Jeannie Fay Award was granted to Meri-Leigh Daniele.

Recipient Meri-Leigh Daniele with Board members Katerina Powers + Kim Meier
